

Critical Information Summary

Hubify Shared Mobile Hub

Service Description

Shared Mobile Hub is a SIM only, mobile voice and data service with the specified inclusions detailed on your plan. The underlying network is the Telstra Wholesale mobile digital network (3G/4G).

Requirements & Availability

Shared Mobile Hub is available as a mobile voice and data service. Availability of the service will be subject to the designated mobile network coverage, this includes proximity to the nearest network tower and location of the compatible network or mobile device utilizing the service.

Shared Mobile Hub requires a compatible network or mobile device. It is not a requirement that you acquire network or mobile devices from Hubify.

Inclusions

Shared Mobile Hub includes one SIM card for voice and/or data access per service. The data allocation for each service will contribute to a pool, which can be used by all users within the pool.

Minimum Service Term

Unless otherwise specified, Shared Mobile Hub is available on 24 month contract terms.

Exclusions

Supply and installation of network or mobile devices (and associated hardware or cabling) is not included.

Unless specified, a static IP address is not included.

Data pools are limited to 200 services per pool.

Excess usage or other charges outside the inclusions of your plan are not included.

Where applicable and subject to your approval, additional charges imposed by a third-party contractor or provider may apply.

Speed

Actual speeds may vary depending on distance from the nearest network tower, coverage type, internal cabling, internal building material and source/type of content downloaded. Hubify Shared Mobile Hub services are delivered using standard CoS (Class of Service) which means, under contention/congestion on the applicable network, this traffic is best efforts.

Optional Equipment and Services

A selection of optional equipment and professional services are available, such as routers, switches, Failover Configuration and Router Management. Prices will depend on the options you select.

International calls from Australia to other countries are rated on a per country basis, per second. Please refer to the Australia to International call rates below.

Early Termination Charges

If you cancel the service before the end of your contract term, Early Termination Fees (ETF) will apply.

Date of termination or cancellation	Local
0 – 12 months after the Service Start Date	75% of Remaining Charges
12+ months after the Service Start Date	85% of Remaining Charges
